

POLISH AMERICAN CONGRESS

Fall 2015 Action Plan for the Passage of H.R.1401

("Jobs Originated through Launching Travel Act of 2013")

First Session of the 114th United States Congress (2015-2016)

BOX SCORE on Our Progress in the House through September 11, 2015 and an Action Alert for Initiating Parallel Activity in the Senate

1. CONTINUING SPECTACULAR PROGRESS IN THE UNITED STATES HOUSE OF REPRESENTATIVES NOW REQUIRES OF NECESSITY THE PURSUIT OF MIRROR-IMAGE LEGISLATION IN THE UNITED STATES SENATE

For any legislation submitted by the United States Congress to the President for enactment into Public Law requires that duplicate pieces of legislation -- reflected in title and substance, with the only exception being different bill numbers reflecting their House and Senate origins -- be passed both by the House of Representatives and the Senate.

Therefore, whereas our progress in support of H.R. 1401 in the House of Representatives must still continue forward relentlessly, we now also have to identify a Senator to introduce a "JOLT Act of 2015" bill in that upper chamber. In the listing of Senators below, both in states having Divisions of the Polish American Congress and in states where there are at least one known (to me and some others as well) friend of the Polish American Congress. The Senators to be involved in this absolutely-necessary parallel activity are as follows:

If anyone has family, friends, and associates in other states not listed above, who may be inclined to support our House and Senate directed activism on behalf of the "JOLT Act of 2015" in both chambers, please forward this "Box Score" report and action plan to them.

In contrast with the House of Representatives where you can only contact the Congressman/woman in whose Congressional District you reside, in the Senate you can contact both of your state's U.S. Senators. When contacting the Senate offices of the two involved Senators in your state, please read the following message in a clearly-enunciated and an equally-unrushed manner:

"I am (fill in your name and residential address), a Polish American voting constituent of United States Senator (fill in his or her name here). It is of great importance to me that he/she will consider introducing a bill in the Senate that will mirror H.R.1401 (JOLT Act of 2015) which is sponsored in the House of Representatives by Joseph Heck of Nevada, and which is making impressive progress in attracting co-sponsors. Among the many provisions of H.R.1401 is one that will enable Poland, a loyal friend and ally of the United States, to be admitted to our nation's Visa Waiver Program. If Senator (fill in his or her name here) decides to introduce this legislation in the Senate, it will be a very helpful action that I and his/her other Polish American voting constituents will welcome and remember. Thank you."

2. SUBSEQUENT TO THE RECENT AUGUST RECESS ON CAPITOL HILL OUR RELENTLESS CAMPAIGN FOR ENLISTING MORE CO-SPONSORS FOR H.R.1401 IN THE UNITED STATES HOUSE OF REPRESENTATIVES MUST CONTINUE ENERGETICALLY BEFORE THE CURRENT FIRST SESSION OF THE 114TH CONGRESS ENDS ON DECEMBER 31, 2015

The current tally for H.R.1401 co-sponsors (whose names appear in red on the list that begins on page 5) in the United States House of Representatives is **92** out of its 435 members. Though we again have had two years to get the job done -- with the first year coming to an end on December 31 -- it is worth remembering that the threshold necessary for passage is **218**, after being sent out of committee to the floor of the House for an up or down vote. Although all the Congressmen/Congresswomen listed below are important, those who serve on the Judiciary Committee, the Foreign Affairs Committee, and the Homeland Security Committee are particularly important, and should be called to support H.R.1401.

Because of our ongoing efforts, the following contrast between H.R.1401 in the current 114th Congress and H.R.1354 in the 113th Congress, both being JOLT Acts, is not only noteworthy but also encouraging:

<u>Bill #:</u>	<u>Introduced by:</u>	<u>On:</u>	<u># Co-sponsors:</u>	<u>Through:</u>
H.R.1401	Joseph Heck (R-NV)	03/17/15	92	09/11/15
H.R.1354	Joseph Heck (R-NV)	03/21/13	70	09/11/13
H.R.1354	Joseph Heck (R-NV)	03/21/13	91	10/16/13

In short, H.R.1401 continues to attract co-sponsors at a conspicuously much faster pace than H.R.1354 had been able to do. Our efforts for contacting our House delegation members not yet signed on as co-sponsors for H.R.1401, therefore, must be relentless and focused from now through the completion of the 1st Session of the 114th Congress which ends on December 31, 2015. We should not squander our remarkable "flying head start" to date.

Needless to say that House Speaker John Boehner of Ohio is perhaps the most important participant in the equation. Whereas he "refers bills to committees based on precedent and committee jurisdiction" as leader of the House majority, he appoints as committee chairs trustworthy Republicans to guarantee outcomes consistent with his Party's legislative and political philosophies and agenda, thus influencing which bills are destined to "die in committee" and which are not. Our Ohio Division, therefore, should exhaust every possibility to inform and influence Speaker Boehner on the merits and importance of H.R.1401 to Poland and by extension, to Ohio's Polish Americans who numbered 462,533 according to the Polish American Encyclopedia (© 2011 by James S. Pula of Purdue University).

A further comparison of the first 92 co-sponsors of H.R.1354 (JOLT Act of 2013) in the 113th United States Congress and the first 92 co-sponsors of H.R.1401 (JOLT Act of 2015) in the 114th United States Congress continues to be instructive and -- as we recall the wholesome balance of Democrat and Republican co-sponsors of H.R.1354 which "died in committee" with 166 co-sponsors -- highly noteworthy. The number of "repeating" co-sponsors (which is addressed in a supplemental message accompanying today's "Box Score"), however, continues to be very interesting and provides the opportunity that we must exploit with involved House Democrats and Republicans, but especially Republicans, for obvious reasons in the case of the latter simply because it is the majority party. Highly significant is the fact that the comparable percentages for Democrat and Republican support for the first 92 co-sponsors of both H.R.1354 and H.R.1401 are identical:

- H.R.1354 (JOLT ACT of 2013): Total = **166** co-sponsors with **90 (54.2%) Democrat**, and **76 (45.8%) Republican**
- H.R.1354 (JOLT Act of 2013): First 92 co-sponsors = **47 (51%) Democrat**, and **45 (49%) Republican**
- H.R.1401 (JOLT Act of 2015): First 92 co-sponsors = **48 (52.2%) Democrat**, and **44 (47.8%) Republican**
- Of the first 92 co-sponsors for H.R.1401, a total of **80 (87%) also had been co-sponsors for H.R.1354** as well

- Of those **80** co-sponsors for H.R.1401 who had also been co-sponsors for H.R.1354, a total of **41 (51.3%) are Democrats** and **39 (48.7%) are Republicans**
- For H.R.1401, there remain many House members yet to be signed (**21** of whom sit on the all-important Judiciary Committee and represent states in which we have Polish American Congress Divisions = AZ [1], CA [5], FL [2], IL [1], MI [3], NY [2], OH [1], PA [2], RI [1], VA [2], and WI [1]). These 21 House Judiciary Committee members could well hold the destiny of H.R.1401 being favorably referred out of committee to the floor of the full House membership for an up or down vote.

In short, H.R.1354 died in committee in the 113th Congress at the end of 2014 despite the fact that it had enlisted 166 co-sponsors and had a good balance between Democrats (**54.2%**) and Republicans (**45.8%**). Needless to say that it didn't enlist sufficient Judiciary Committee members.

That's why enlisting those 21 House Judiciary Committee members is an absolute necessity. Appeals for support directed to **House Speaker John Boehner of Ohio** must also be a sustained objective of our Ohio Division plain and simple, because in theory at least he must respond by listening to -- not necessarily agreeing with -- his state's voting constituents, and it is our objective to enlighten him about the interest in H.R.1401 of his fellow Ohioans who are of Polish descent .

Whereas our nation's 50 House delegations that follow are both those in which we have formal Divisions [Division] or identifiable friends [Friends] of the Polish American Congress in which we should continue to be fully engaged in attracting more co-sponsors, we should not overlook the many other states not having a formal presence or identifiable friends of the Polish American Congress by urging our relatives, friends, and associates in such states to lobby their Representatives in the House to become H.R.1401 co-sponsors. Thus, all 50 states are included in the matrix that follows on page 5.

Exclusion from Visa Waiver Program membership remains an issue of great concern to the Republic of Poland and by extension, to Americans of Polish descent as well. The longer the exclusion persists, the more likely it will give rise to a negative conclusion drawn by a less than fully-informed and thus in the main a clearly-disinterested American general public, that Poland is somehow a peculiar European Union and NATO member nation, not fully trustworthy for some reason to be included in the relatively small circle of the "best friends" of the United States around the world who are rewarded with inclusion in the Visa Waiver Program. As such, we should combat Poland's exclusion "tooth and nail," no matter what the current basis or bases of Poland's exclusion from Visa Waiver may be.

Despite the compelling challenges posed in an atmosphere, both domestic and international, which require the attention of the Polish American Congress, it goes without saying that the Polish American Congress must not relent in its more than a decade-long commitment in pursuit of achieving Visa Waiver status for Poland's citizens.

ACCORDINGLY, THE IMMEDIATE AS WELL AS LONG-RANGE OBJECTIVE OF THE POLISH AMERICAN CONGRESS STATE DIVISIONS -- AND THEIR FRIENDS AND RELATIVES IN OTHER STATES NOT HAVING DIVISIONS OF THE POLISH AMERICAN CONGRESS -- IS TO CONTACT MEMBERS OF THEIR CONGRESSIONAL DELEGATIONS IN THE UNITED STATES HOUSE OF REPRESENTATIVES, USING THE FOLLOWING MESSAGE WITH THEIR STAFFS:

"I am (**fill in your name and residential address**), a **Polish American voting constituent of United States Representative (fill in his or her name here)**. It is of great importance to me that he/she will consider becoming a co-sponsor of H.R.1401 (JOLT Act of 2015) which is sponsored in the House of Representatives by Joseph Heck of Nevada, and which is making impressive progress in attracting sponsors. Among the many provisions of H.R.1401 is

one that will enable Poland, a loyal friend and ally of the United States, to be admitted to our nation's Visa Waiver Program. Furthermore, the fact of Representative (fill in his/her name here) signing on as one of H.R.1401's bipartisan co-sponsors will serve as a clear demonstration of his/her commitment to this legislation that I and his/her other Polish American voting constituents will welcome and remember. Thank you."

WITH THE EXCEPTION OF HOLIDAYS, WEEKLY "BOX SCORE" UP-DATES ON THE SIGNING OF H.R.1401 CO-SPONSORS WILL BE REPORTED TO ALL NATIONAL DIRECTORS AND FRIENDS OF THE POLISH AMERICAN CONGRESS.

- In what follows:
- (1) A-L* = At Large.
 - (2) Names of House members printed in BOLD red are those who have signed on as co-sponsors of H.R.1401 to date.
 - (3) Italicized names indicate those who co-sponsored H.R.1354 (JOLT Act of 2013) in the 113th Congress (2013-2014). They should be called again to sign on as H.R.1401 co-sponsors as well, if they already haven't done so.
 - (4) States printed in red are those in which the Polish American Congress has formal Divisional representation. The District of Columbia, though not a state, is included as an entity having Polish American Congress representation (i.e., our Washington Metropolitan Area Division).
 - (5) Judiciary Committee, Foreign Affairs Committee, and Homeland Security Committee members, and of course, House Speaker John Boehner play highly significant roles in the legislative process for H.R.1401, thereby requiring the special attention of our involved state Divisions.
