**THE POLISH AMERICAN CONGRESS**

The Polish American Congress is an "umbrella" organization having an aggregate membership of over one million.

Included are more than 3,000 Polish American organizations, consisting of fraternal, veteran, cultural and professional groups, religious societies and social associations.

Through its State Divisions and Chapters, as well as Member Organizations, the Polish American Congress promotes civic, educational and cultural programs designed to further not only the knowledge of Polish history, language and culture but also to stimulate Polish American involvement and accomplishment.

**The participation of all Polish Americans in the endeavors of the Polish American Congress is strongly encouraged!**

**OUR MISSION**

Stimulate unified action of Polish Americans for the benefit of our Community

Promote the welfare of Polish Americans in political, religious, ethnic, educational, social and economic matters

Protect the good name of Polish Americans, Poland, and American Polonia

Assist the people of Poland in maintaining their national independence free from interference by others

Educate the American public about Polonia's historic role, its accomplishments and contributions to American history, science and culture

Further broader contacts with other ethnic groups in the United States in cultural, religious and political dialogues

Work with state and federal legislators on issues affecting Polish Americans and/or Poland

Support the election and appointment of Polish Americans to high-level positions in government

Encourage young Polish Americans to become involved in the political life of mainstream America
